SUBJECT INDEX

ASCE Activities

ASCE: The March Toward the 21st Century, James E. Davis, EI July 98, p53-56.

ASCE Code of Ethics

Applied Ethics Case of the Month—March–April 1998, Ron Bucknam, EI Oct. 98, p94-95.

First, Do No Harm, Matt Schiemer, EI July 98, p70-71.

Reflections on Engineering Ethics, Scott D. Gold, EI July 98, p68-69.

Sustainable Development and the ASCE Code of Ethics, P. Aarne Vesilind and Alastair S. Gunn, EI July 98, p72-74.

ASCE Policy

ASCE: The March Toward the 21st Century, James E. Davis, EI July 98, p53-56.

ASCE Service to Members

ASCE: The March Toward the 21st Century, James E. Davis, EI July 98, p53-56.

Assessments

Editor's Letter, Mark D. Evans, EI Oct. 98, p92.

Awards

First, Do No Harm, Matt Schiemer, EI July 98, p70-71.

On the Risk of Dealing with Safe Contamination: An Issue in Development, Emmanuel C. B. Liban, EI July 98, p65-67.

Reflections on Engineering Ethics, Scott D. Gold, EI July 98, p68-69.

Buildings

Divided Highways: Building the Interstate Highways, Transforming American Life by Tom Lewis, Brian Brenner, EI Apr. 98, p51.

Careers

Forum. Spaghetti Tower: A High School Science Project, Elizabeth C. Tyree and Kalyanaraman Vaidyanathari, EI Apr. 98, p24-30.

Managing Your Career in an Era of Change, C. R. Pennoni, EI July 98, p75-77.

Where the Green Grass Grows, EI Jan. 98, p4-8.

Case reports

Integrating Failure Case Studies and Engineering Ethics in Fundamental Engineering Mechanics Courses, Norbert J. Delatte, Jr., EI July 97, p111-116.

Change

ASCE: The March Toward the 21st Century, James E. Davis, EI July 98, p53-56.

Civil engineering

ASCE: The March Toward the 21st Century, James E. Davis, EI July 98, p53-56.

Forum. What are the Ethical Responsibilities of the Civil Engineer to Provide Sustainable Development? Darcie B. Johnson, EI Apr. 98, p35-37.

GIS Technology for Civil Engineering Education, Said M. Easa, Songnian Li and Yaoyu Shi, EI Apr. 98, p40-47.

Tomorrow's Civil Systems Engineer—The Master Integrator, Joseph Bordogna, EI Apr. 98, p48-50.

Civil engineers

Managing Your Career in an Era of Change, C. R. Pennoni, EI July 98, p75-77.

The Role of the Civil Engineer: Reflections by the 1997 Winner of the Simpson Gumpertz & Hager Scholarship, Eric F. Pauly, EI Jan. 98, p8.

Client relationships

Where the Green Grass Grows, EI Jan. 98, p4-8.

Communication skills

Free-Hand Sketching: A Lost Art? Hanan A. Kivett, EI July 98, p60-64.

Using Engineers' Characteristics to Improve Report Writing Instruction, Heather Silyn-Roberts, EI Jan. 98, p12-16.

Competition

Crisis in Engineering Education: Survey of Civil Engineering Curriculums, Robert P. Elliott, P.E., EI Jan. 98, p8-10.

Managing Your Career in an Era of Change, C. R. Pennoni, EI July 98, p75-77.

Conservation

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Rachel A. Brennan, EI Apr. 98, p32-35.

Construction

Forum. Spaghetti Tower: A High School Science Project, Elizabeth C. Tyree and Kalyanaraman Vaidyanathari, EI Apr. 98, p24-30.

Project-Based Course for Integration of Design and Construction at WPI, Leonard D. Albano, P.E. and Guillermo F. Salazar, EI Oct. 98, p97-104.

Consultants

The Expert Witness Handbook: Tips and Techniques for the Litigation Consultant by Dan Poynter, M. R. Hansen, EI Jan. 98, p17.

Consulting engineers

Ethics in Professional Practice: Cases-of-the Month Program, Ronald E. Bucknam, EI Jan. 98, p1-2.

Forum. Ethics Cases in Professional Practice: Expert Impartiality: A Thing of the Past? Ronald E. Bucknam, EI Apr. 98, p22-24.

Continuing education

Toward the Environment and Sustainability Ethic in Engineering Education and Practice, Roger Duffell, EI July 98, p78-90.

Costs

Forum. Ethics Cases in Professional Practice: The Joy of Being Wanted, Ronald E. Bucknam, EI Apr. 98, p19-22.

Creativity

The Role of the Civil Engineer: Reflections by the 1997 Winner of the Simpson Gumpertz & Hager Scholarship, Eric F. Pauly, EI Jan. 98, p8.

Curricula

Crisis in Engineering Education: Survey of Civil Engineering Curriculums, Robert P. Elliott, P.E., EI Jan. 98, p8-10.

GIS Technology for Civil Engineering Education, Said M. Easa, Songnian Li and Yaoyu Shi, EI Apr. 98, p40-47.

Teaching Engineering Design with Practitioner Supervision: A Case Study, Robert C. Knox, P.E., David A. Sabatini, P.E., David E. Hughes, Robert Lambert and Russ Ketner, P.E., EI Oct. 98, p105-109.

Deposition

The Expert Witness Handbook: Tips and Techniques for the Litigation Consultant by Dan Poynter, M. R. Hansen, EI Jan. 98, p17.

Design

Divided Highways: Building the Interstate Highways, Transforming American Life by Tom Lewis, Brian Brenner, EI Apr. 98, p51.

Forum. Spaghetti Tower: A High School Science Project, Elizabeth C. Tyree and Kalyanaraman Vaidyanathari, EI Apr. 98, p24-30.

Project-Based Course for Integration of Design and Construction at WPI, Leonard D. Albano, P.E. and Guillermo F. Salazar, EI Oct. 98, p97-104.

Teaching Engineering Design with Practitioner Supervision: A Case Study, Robert C. Knox, P.E., David A. Sabatini, P.E., David E. Hughes, Robert Lambert and Russ Ketner, P.E., EI Oct. 98, p105-109.

Design modifications

Free-Hand Sketching: A Lost Art? Hanan A. Kivett, EI July 98, p60-64.

Developing countries

First, Do No Harm, Matt Schiemer, EI July 98, p70-71.

On the Risk of Dealing with Safe Contamination: An Issue in Development, Emmanuel C. B. Liban, EI July 98, p65-67.

Development

Engineers' Role in Sustainable Development: Considering Cultural Dynamics, Gregory F. McIsaac and Nancy C. Morey, EI Oct. 98, p110-119.

Forum. What are the Ethical Responsibilities of the Civil Engineer to Provide Sustainable Development? Darcie B. Johnson, EI Apr. 98, p35-37.

Sustainable Development and the ASCE Code of Ethics, P. Aarne Vesilind and Alastair S. Gunn, EI July 98, p72-74.

Documentation

Using Engineers' Characteristics to Improve Report Writing Instruction, Heather Silyn-Roberts, EI Jan. 98, p12-16.

Drawings

Free-Hand Sketching: A Lost Art? Hanan A. Kivett, EI July 98, p60-64.

Economic development

On the Risk of Dealing with Safe Contamination: An Issue in Development, Emmanuel C. B. Liban, EI July 98, p65-67.

Education

Forum. Educator-in-Residence Program Questionnaire Results, Kenneth H. Murray, P.E., EI Apr. 98, p30-32.

Education-practice interchange

Forum. Spaghetti Tower: A High School Science Project, Elizabeth C. Tyree and Kalyanaraman Vaidyanathari, EI Apr. 98, p24-30.

Teaching Engineering Design with Practitioner Supervision: A Case Study, Robert C. Knox, P.E., David A. Sabatini, P.E., David E. Hughes, Robert Lambert and Russ Ketner, P.E., EI Oct. 98, p105-109.

Employment

The Engineer, David Lewis Perrings, EI Jan. 98, p11.

Employment opportunities

Forum. Ethics Cases in Professional Practice: The Joy of Being Wanted, Ronald E. Bucknam, EI Apr. 98, p19-22.

Energy sources

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Rachel A. Brennan, EI Apr. 98, p32-35.

Engineering education

Crisis in Engineering Education: Survey of Civil Engineering Curriculums, Robert P. Elliott, P.E., EI Jan. 98, p8-10.

Editor's Letter, Mark D. Evans, EI Oct. 98, p92.

GIS Technology for Civil Engineering Education, Said M. Easa, Songnian Li and Yaoyu Shi, EI Apr. 98, p40-47.

Integrating Failure Case Studies and Engineering Ethics in Fundamental Engineering Mechanics Courses, Norbert J. Delatte, Jr., EI July 97, p111-116.

Project-Based Course for Integration of Design and Construction at WPI, Leonard D. Albano, P.E. and Guillermo F. Salazar, EI Oct. 98, p97-104.

Teaching Engineering Design with Practitioner Supervision: A Case Study, Robert C. Knox, P.E., David A. Sabatini, P.E., David E. Hughes, Robert Lambert and Russ Ketner, P.E., EI Oct. 98, p105-109.

Tomorrow's Civil Systems Engineer—The Master Integrator, Joseph Bordogna, EI Apr. 98, p48-50.

Toward the Environment and Sustainability Ethic in Engineering Education and Practice, Roger Duffell, EI July 98, p78-90.

Engineering societies

Forum. What are the Ethical Responsibilities of the Civil Engineer to Provide Sustainable Development? Darcie B. Johnson, EI Apr. 98, p35-37.

Engineers

The Engineer, David Lewis Perrings, EI Jan. 98, p11.

Engineers' Role in Sustainable Development: Considering Cultural Dynamics, Gregory F. McIsaac and Nancy C. Morey, EI Oct. 98, p110-119.

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Rachel A. Brennan, EI Apr. 98, p32-35.

Tomorrow's Civil Systems Engineer—The Master Integrator, Joseph Bordogna, EI Apr. 98, p48-50.

Environment

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Rachel A. Brennan, EI Apr. 98, p32-35.

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Ron McWhorter, EI Apr. 98, p37-39.

Environmental issues

Engineers' Role in Sustainable Development: Considering Cultural Dynamics, Gregory F. McIsaac and Nancy C. Morey, EI Oct. 98, p110-119.

On the Risk of Dealing with Safe Contamination: An Issue in Development, Emmanuel C. B. Liban, EI July 98, p65-67.

Sustainable Development and the ASCE Code of Ethics, P. Aarne Vesilind and Alastair S. Gunn, EI July 98, p72-74.

Toward the Environment and Sustainability Ethic in Engineering Education and Practice, Roger Duffell, EI July 98, p78-90.

Environmental quality

Toward the Environment and Sustainability Ethic in Engineering Education and Practice, Roger Duffell, EI July 98, p78-90.

Environmental quality regulations

First, Do No Harm, Matt Schiemer, EI July 98, p70-71.

Ethics

Applied Ethics Case of the Month—March–April 1998, Ron Bucknam, EI Oct. 98, p94-95.

Ethics Cases in Professional Practice, Ronald E. Bucknam, EI July 98, p57-59.

Ethics in Professional Practice: Cases-of-the Month Program, Ronald E. Bucknam, EI Jan. 98, p1-2.

First, Do No Harm, Matt Schiemer, EI July 98, p70-71.

Forum. Ethics Cases in Professional Practice: Expert Impartiality: A Thing of the Past? Ronald E. Bucknam, EI Apr. 98, p22-24.

Forum. Ethics Cases in Professional Practice: The Joy of Being Wanted, Ronald E. Bucknam, EI Apr. 98, p19-22.

Forum. What are the Ethical Responsibilities of the Civil Engineer to Provide Sustainable Development? Darcie B. Johnson, EI Apr. 98, p35-37.

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Rachel A. Brennan, EI Apr. 98, p32-35.

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Ron McWhorter, EI Apr. 98, p37-39.

Integrating Failure Case Studies and Engineering Ethics in Fundamental Engineering Mechanics Courses, Norbert J. Delatte, Jr., EI July 97, p111-116.

The Leaning Tower: A Timely Dilemma, EI Jan. 98, p2-4.

Reflections on Engineering Ethics, Scott D. Gold, EI July 98, p68-69.

Sustainable Development and the ASCE Code of Ethics, P. Aarne Vesilind and Alastair S. Gunn, EI July 98, p72-74.

Where the Green Grass Grows, EI Jan. 98, p4-8.

Experience

Engineering Hubris, EI Jan. 98, p10-11.

Experimentation

Engineering Hubris, EI Jan. 98, p10-11.

Expert witness

The Expert Witness Handbook: Tips and Techniques for the Litigation Consultant by Dan Poynter, M. R. Hansen, EI Jan. 98, p17.

Forum. Ethics Cases in Professional Practice: Expert Impartiality: A Thing of the Past? Ronald E. Bucknam, EI Apr. 98, p22-24.

Failures

Integrating Failure Case Studies and Engineering Ethics in Fundamental Engineering Mechanics Courses, Norbert J. Delatte, Jr., EI July 97, p111-116.

Fees

Ethics Cases in Professional Practice, Ronald E. Bucknam, EI July 98, p57-59.

Foreign firms

Managing Your Career in an Era of Change, C. R. Pennoni, EI July 98, p75-77.

Forensic engineering

Integrating Failure Case Studies and Engineering Ethics in Fundamental Engineering Mechanics Courses, Norbert J. Delatte, Jr., EI July 97, p111-116.

Funding allocations

Divided Highways: Building the Interstate Highways, Transforming American Life by Tom Lewis, Brian Brenner, EI Apr. 98, p51.

Geographic information systems

GIS Technology for Civil Engineering Education, Said M. Easa, Songnian Li and Yaoyu Shi, EI Apr. 98, p40-47.

Geotechnical engineering

An Ideal Geotechnical World, Brian Brenner, EI Oct. 98, p93.

Geotechnical investigations

An Ideal Geotechnical World, Brian Brenner, EI Oct. 98, p93.

Graduate study

Crisis in Engineering Education: Survey of Civil Engineering Curriculums, Robert P. Elliott, P.E., EI Jan. 98, p8-10.

Project-Based Course for Integration of Design and Construction at WPI, Leonard D. Albano, P.E. and Guillermo F. Salazar, EI Oct. 98, p97-104.

Highways

Divided Highways: Building the Interstate Highways, Transforming American Life by Tom Lewis, Brian Brenner, EI Apr. 98, p51.

Images

Free-Hand Sketching: A Lost Art? Hanan A. Kivett, EI July 98, p60-64.

Infrastructure

On the Risk of Dealing with Safe Contamination: An Issue in Development, Emmanuel C. B. Liban, EI July 98, p65-67.

Tomorrow's Civil Systems Engineer—The Master Integrator, Joseph Bordogna, EI Apr. 98, p48-50.

Innovation

Engineering Hubris, EI Jan. 98, p10-11.

The Role of the Civil Engineer: Reflections by the 1997 Winner of the Simpson Gumpertz & Hager Scholarship, Eric F. Pauly, EI Jan. 98, p8.

Integrated systems

Tomorrow's Civil Systems Engineer—The Master Integrator, Joseph Bordogna, EI Apr. 98, p48-50.

Interstate highways

Divided Highways: Building the Interstate Highways, Transforming American Life by Tom Lewis, Brian Brenner, EI Apr. 98, p51.

Job satisfaction

The Engineer, David Lewis Perrings, EI Jan. 98, p11.

Laws

Reflections on Engineering Ethics, Scott D. Gold, EI July 98, p68-69.

Leadership

Editor's Letter, Mark D. Evans, EI Oct. 98, p92.

The Role of the Civil Engineer: Reflections by the 1997 Winner of the Simpson Gumpertz & Hager Scholarship, Eric F. Pauly, EI Jan. 98, p8.

Legal factors

Forum. Ethics Cases in Professional Practice: Expert Impartiality: A Thing of the Past? Ronald E. Bucknam, EI Apr. 98, p22-24.

Litigation

Where the Green Grass Grows, EI Jan. 98, p4-8.

Organizations

Editor's Letter, Mark D. Evans, EI Oct. 98, p92.

Planning

Free-Hand Sketching: A Lost Art? Hanan A. Kivett, EI July 98, p60-64.

Political parties

Applied Ethics Case of the Month—March–April 1998, Ron Bucknam, EI Oct. 98, p94-95.

Preservation

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Rachel A. Brennan, EI Apr. 98, p32-35.

Priorities

The Leaning Tower: A Timely Dilemma, EI Jan. 98, p2-4.

Problem solving

Ethics in Professional Practice: Cases-of-the Month Program, Ronald E. Bucknam, EI Jan. 98, p1-2.

The Leaning Tower: A Timely Dilemma, EI Jan. 98, p2-4.

Project-Based Course for Integration of Design and Construction at WPI, Leonard D. Albano, P.E. and Guillermo F. Salazar, EI Oct. 98, p97-104.

Professional activities

Managing Your Career in an Era of Change, C. R. Pennoni, EI July 98, p75-77.

Professional development

Forum. Ethics Cases in Professional Practice: The Joy of Being Wanted, Ronald E. Bucknam, EI Apr. 98, p19-22.

Managing Your Career in an Era of Change, C. R. Pennoni, EI July 98, p75-77.

Toward the Environment and Sustainability Ethic in Engineering Education and Practice, Roger Duffell, EI July 98, p78-90.

Using Engineers' Characteristics to Improve Report Writing Instruction, Heather Silyn-Roberts, EI Jan. 98, p12-16.

Professional practice

Ethics Cases in Professional Practice, Ronald E. Bucknam, EI July 98, p57-59.

Ethics in Professional Practice: Cases-of-the Month Program, Ronald E. Bucknam, EI Jan. 98, p1-2.

Integrating Failure Case Studies and Engineering Ethics in Fundamental Engineering Mechanics Courses, Norbert J. Delatte, Jr., EI July 97, p111-116.

Teaching Engineering Design with Practitioner Supervision: A Case Study, Robert C. Knox, P.E., David A. Sabatini, P.E., David E. Hughes, Robert Lambert and Russ Ketner, P.E., EI Oct. 98, p105-109.

Professional registration

The Leaning Tower: A Timely Dilemma, EI Jan. 98, p2-4.

Professional role

Engineers' Role in Sustainable Development: Considering Cultural Dynamics, Gregory F. McIsaac and Nancy C. Morey, EI Oct. 98, p110-119.

Tomorrow's Civil Systems Engineer—The Master Integrator, Joseph Bordogna, EI Apr. 98, p48-50.

Where the Green Grass Grows, EI Jan. 98, p4-8.

Projects

The Engineer, David Lewis Perrings, EI Jan. 98, p11.

Public opinion

The Role of the Civil Engineer: Reflections by the 1997 Winner of the Simpson Gumpertz & Hager Scholarship, Eric F. Pauly, EI Jan. 98, p8.

Public safety

The Leaning Tower: A Timely Dilemma, EI Jan. 98, p2-4.

Public welfare

First, Do No Harm, Matt Schiemer, EI July 98, p70-71.

Reflections on Engineering Ethics, Scott D. Gold, EI July 98, p68-69.

Questionnaires

Forum. Educator-in-Residence Program Questionnaire Results, Kenneth H. Murray, P.E., EI Apr. 98, p30-32.

Recycling

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Ron McWhorter, EI Apr. 98, p37-39.

Renewable resources

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Rachel A. Brennan, EI Apr. 98, p32-35.

Reports

Using Engineers' Characteristics to Improve Report Writing Instruction, Heather Silyn-Roberts, EI Jan. 98, p12-16.

Resources

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Ron McWhorter, EI Apr. 98, p37-39.

Responsibilities

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Ron McWhorter, EI Apr. 98, p37-39.

Reflections on Engineering Ethics, Scott D. Gold, EI July 98, p68-69.

Responsibility

Ethics Cases in Professional Practice, Ronald E. Bucknam, EI July 98, p57-59.

Risk management

On the Risk of Dealing with Safe Contamination: An Issue in Development, Emmanuel C. B. Liban, EI July 98, p65-67.

Sewage treatment plants

Forum. Ethics Cases in Professional Practice: Expert Impartiality: A Thing of the Past? Ronald E. Bucknam, EI Apr. 98, p22-24.

Social values

Engineers' Role in Sustainable Development: Considering Cultural Dynamics, Gregory F. McIsaac and Nancy C. Morey, EI Oct. 98, p110-119.

Soils

An Ideal Geotechnical World, Brian Brenner, EI Oct. 98, p93.

Space exploration

Engineering Hubris, EI Jan. 98, p10-11.

Speed

Free-Hand Sketching: A Lost Art? Hanan A. Kivett, EI July 98, p60-64.

Strategic planning

Forum. Educator-in-Residence Program Questionnaire Results, Kenneth H. Murray, P.E., EI Apr. 98, p30-32.

Students

Forum. Spaghetti Tower: A High School Science Project, Elizabeth C. Tyree and Kalyanaraman Vaidyanathari, EI Apr. 98, p24-30.

Surveys, data collection

Forum. Educator-in-Residence Program Questionnaire Results, Kenneth H. Murray, P.E., EI Apr. 98, p30-32.

GIS Technology for Civil Engineering Education, Said M. Easa, Songnian Li and Yaoyu Shi, EI Apr. 98, p40-47.

Technology

Engineers' Role in Sustainable Development: Considering Cultural Dynamics, Gregory F. McIsaac and Nancy C. Morey, EI Oct. 98, p110-119.

Forum. What Are the Ethical Responsibilities Towards Sustainable Development? Ron McWhorter, EI Apr. 98, p37-39.

Tests

Forum. Spaghetti Tower: A High School Science Project, Elizabeth C. Tyree and Kalyanaraman Vaidyanathari, EI Apr. 98, p24-30.

An Ideal Geotechnical World, Brian Brenner, EI Oct. 98, p93.

Undergraduate study

Crisis in Engineering Education: Survey of Civil Engineering Curriculums, Robert P. Elliott, P.E., EI Jan. 98, p8-10.

Writing

Using Engineers' Characteristics to Improve Report Writing Instruction, Heather Silyn-Roberts, EI Jan. 98, p12-16.

Writing papers

Using Engineers' Characteristics to Improve Report Writing Instruction, Heather Silyn-Roberts, EI Jan. 98, p12-16.
